

4th Grade Weekly Instructional Guide

Students: Following a weekly schedule will help you keep up with your learning while you're at home. I will help you decide how to spend your time along with your parents. Don't forget to get some physical activity every day.

Parents: Extended learning activities (Resources TBA) are essential to provide students further learning opportunities to promote mastery of grade level standards. Feel free to reach out to me, especially during my virtual office hours every day from 2:50 -3:26p.m.
